

YEAR 2 MATHEMATICS CURRICULUM OVERVIEW

Oak National Academy Sequence

Term	Half Term	Main Curriculum Focus	Units Covered	Expected Outcomes
Autumn Unit 1 Unit 2 Unit 3	Autumn 1	Place Value and Number	• Composition of multiples of 10 • Counting and representing numbers 20–99 • Comparing, ordering and partitioning 2-digit numbers	Develop confidence with place value and understanding of two-digit numbers.
Autumn Unit 4 Unit 5 Unit 6	Autumn 2	Addition and Subtraction	• Fluency of addition and subtraction facts within 10 • Calculating within 20 • Adding and subtracting ones and tens	Apply efficient calculation strategies using mental and written methods.
Spring Unit 7 Unit 8 Unit 9 Unit 10	Spring 1	Multiplication and Division	• Grouping objects and multiplication structures • 2, 5 and 10 times tables • Multiplying by 2, doubling and halving	Develop multiplicative reasoning and recall of key multiplication facts.
Spring Unit 11 Unit 12 Unit 13	Spring 2	Division and Shape	• Introduction to division structures • Properties of 2D and 3D shapes • Addition and subtraction of two 2-digit numbers	Use division concepts and geometric vocabulary with increasing accuracy.
Summer Unit 14 Unit 15 Unit 16	Summer 1	Money, Fractions and Time	• Recognise coins and use £ and p symbols • Halves, thirds and quarters • Tell the time to five minutes	Apply mathematical understanding in practical real-life contexts.
Summer Unit 17 Unit 18 Unit 19	Summer 2	Position, Direction and Measure	• Position and direction • Doubling, halving and division • Capacity, volume and mass	Solve problems involving measure, movement and number relationships.
